Ergo Slings

Warranty Period & Conditions.

- Warranty period: 2 years
- Valid: from date of invoice.

Sling inspection should be carried out before each use of the sling, checking for wear & tear, frayed parts, defective stitching, and the like. If the sling shows any sign of defect, it must be discarded immediately.

Any product defect must be reported to WinnCare, and an RMA form must be filled out with the relevant requested information regarding the defect.

Inspection must be performed according to WinnCare's service and inspection checklist. Refer Sling User Instructions.

An annual service report / logbook must be filled out after each annual inspection.

The warranty is conditional on only original WinnCare spare and wear parts being used.

The warranty is conditional on the products being correctly used, for their intended purpose only and according to WinnCare's user guidelines.
